- 5.1 You acknowledge that the Software has not been developed to meet your specific requirements, and that it is therefore your responsibility to ensure that the facilities and functions of the Software as described in the Documents meet your requirements. In particular, you acknowledge that the Software is intended to assist only with product design and, specifically, is not a substitute for independent engineering judgment and testing by you of the reliability and accuracy of any results or output from the Software. The Software may not have been tested in any or all situations or operating environments under or in which you may use it and you agree that you are responsible for the adequacy of your independent procedures for testing items or processes designed with the assistance of the Software. This maximum cap does not apply to condition 5.5.
- 5.5 Nothing in this Licence shall limit or exclude our liability for:
- (a) death or personal injury resulting from our negligence;

Except as expressly stated in this Licence, there are no conditions, warranties, representations or other terms, express or implied, that are binding on us. Any condition, warranty, representation or other term concerning the supply of the Software and Documents which might otherwise be implied into, or incorporated in, this Licence whether by statute, common law or otherwise, is excluded to the fullest extent permitted by law.

7. COMMUNICATIONS BETWEEN US

7.1 If you are a business customer, please note that any notice given by you to us, or by us to you, will be deemed received and properly served immediately when posted on our website, 24 hours after an e-mail is sent, or three days after the date of posting of any letter. In proving the service of any notice, it will be sufficient to prove, in the case of a letter, that such letter was properly addressed, stamped and placed in the post and, in the case of an e-mail, that such e-mail was sent to the specified e-mail address of the addressee.

8. EVENTS OUTSIDE OUR CONTROL

8.1 We will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under this Licence that is caused by an Event Outside Our Control. An Event Outside Our Control is defined below in condition 8.2.

8.2 An **Event Outside Our Control** means any act or event beyond our reasonable control, including without limitation failure of public or private telecommunications networks or connectivity.

8.3 If an Event Outside Our Control takes place that affects the performance of our obligations under this Licence:

- (a) our obligations under this Licence will be suspended and the time for performance of our obligations will be extended for the duration of the Event Outside Our Control; and
- (b) we will use our reasonable endeavours to find a solution by which our obligations under this Licence may be performed despite the Event Outside Our Control.

9. OTHER IMPORTANT TERMS

9.1 We may transfer our rights and obligations under this Licence to another organisation, but this will not affect your rights or our obligations under this Licence.

9.2 You may only transfer your rights or your obligations under this Licence to another person if we agree in writing.

- 9.3 This Licence (and any Licence Agreement entered into between us and you) constitutes the entire agreement between us and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between us, whether written or oral, relating to its subject matter. You agree that you shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this Licence (or any Licence Agreement entered into between us and you). You agree that you shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this in this Licence (or Licence Agreement entered into between us and you).
- 9.4 The terms of this Licence will prevail over the terms of any Evaluation Plan to the extent of any inconsistency or conflict. In the event of any conflict between the terms of this Licence and its corresponding Licence Agreement, the terms of the Licence Agreement will prevail.
- 9.5 If we fail to insist that you perform any of your obligations under this Licence, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.
- 9.6 Save for our third party licensors who may enforce this Licence in so far as it relates to your use of their software or documents under this Licence, this Licence does not grant to any third party any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.
- 9.7 Each of the conditions of this Licence operates separately. If any court or competent authority decides that any of them are unlawful or unenforceable, the remaining conditions will remain in full force and effect.
- 9.8 This Licence, its subject matter and its formation (and any non-contractual disputes or claims relating to it or them) are governed by English law. We both irrevocably agree to the exclusive jurisdiction of the courts of England and Wales. Notwithstanding the foregoing or anything to the contrary, nothing shall prevent us from bringing claims or actions for infringement of intellectual property rights (including related causes of action, such as breach of contract) in any and all jurisdictions where such infringement is alleged to occur, or where you are incorporated, domiciled, conduct business, or hold assets.
